Parks & Beach: After five (5) hours of weeding the Community Garden someone went out and damaged and busted plants and also pulled some of them out. Thank you Cindy for spending all that time weeding only to have it destroyed. Two young females were noticed in the area and it's really a shame that they had nothing better to do with their time than to destroy something that residents in our community benefit from.

Audience: A resident came down to make the Village board aware that a neighbor of hers has taken it upon herself to cut her bushes and has also done this to other properties. An incident report has been filed and that neighbor has admitted to doing it. This is not okay for anyone to do. If there is an issue with any bushes, trees or plants please contact the Village Hall and we can go and assess the situation. Don't ever take it upon yourself to cut anything on someone else's property. The resident is planning on putting up No Trespassing signs and pieces of fence.

Deputy Clerk Prehn – The total portion that we have received from I-Drop for unpaid violation tickets is \$10654.42.

Discussion: Neighbors Helping Neighbors “might” have a bonfire on the beach in November. In light of the pandemic this could certainly change. We will keep residents updated.

The next Village board meeting will be August 25, 2020 at 7:00 P.M.
