Coming soon...

With so many nonprofit organizations within McHenry County, finding help can be confusing. United Way 2-1-1 provides an easy way to access help with challenges. Dialing 2-1-1 from any phone will connect you to a call center that will direct you to the right social service agency or nonprofit organization. Trained specialists can help and offer information and referrals for services such as rent and utility assistance, food banks, affordable housing, child and elder care, financial counseling, job training and more. 2-1-1 is easy to remember, accessible to everyone, and available 24/7/365 at no cost!

Get connected with 2-1-1 to reach help, or visit

Phase 4C of the ongoing storm water drainage system improvement is scheduled to begin soon. Village streets to be worked on are Spring Road, Maple Hill Drive and Orchard Drive west of Eastwood Drive in the south central portion of the Village. Phase 4C will connect to Phases 3B&C, 4A and 4B, which is near completion. Tentative date for completion of Phase 4C is spring of 2016. Dates are always subject to change. We are sorry for any inconvenience, but this project will ultimately improve our Village!

Thank you for your patience!
