

McCullom Lake's *PrepareAthon!*SM

You can't control when a disaster will strike, but you can be prepared where you live, work, and play. McCullom Lake is asking you to join in this free community event to help you become better prepared in the event of an emergency.

#PrepareAthon
www.voml.org

- Hear from community leaders and guest speakers
- Learn about severe weather hazards
- Build your own preparedness kit
- Sign up for free weather alerts
- Learn hands only CPR
- Set up a family communication plan
- Professionals will be on site to answer your questions
- Free First Aid kits (while supplies last)
